

2010 Saskatchewan Winter Games Feb 17-20

Wrestling Coach/Manager - Application Form

Deadline November 1st, 2009

Every four years dedicated individuals volunteer to share their wrestling knowledge and become Saskatchewan Games coaches. These coaches motivate and train a group of athletes, who have never met, to compete as a team and work together to achieve a common goal. These volunteers are invaluable as they play an integral role in the lives of the province's young developing athletes and the Saskatchewan Games program.

Each district requires 1 coach and 1 manager and if there are female athletes selected for the team, one of those individuals must be female. The duty of the coaches/managers is to run a selection procedure appropriate for your particular district as well as preparing your team for the games competition. One of the 2 coaches must be fully certified level 1 through the NCCP or Competition Introduction Wrestling Integrated Part A Trained. Both coaches must have completed Make Ethical Decisions multi-sport online evaluation. There are 8 Male weight classes and 7 Female weight classes for athletes born from 1994-1997 (Bantam and Cadet Only). Further details on weight classes and the competition can be found in the Technical Package. All athletes, coaches and managers must be registered members through Saskatchewan Amateur Wrestling Association.
