Other guest instructors to be announced.

The Niverville Wrestling Club set forth an objective to host a camp that would not only develop wrestlers on a technical level , but on a physical one as well. We have enlisted the services of some of the finest professionals in their field to help educate our wrestlers in ways of becoming better athletes as a whole.

- Tim Nanassey**
- Certified Physiotherapist
 - CAWA Nationally accredited official

Tim brings a wealth of experience both as a wrestler and a official to our doorstep. These assets combined with his full time occupation as a physiotherapist will assist Tim in educating camp participants the importance of a proper warm up, and stretching techniques that are conducive to the sport of wrestling.

There will also be a certified nutritionist featured as part of the camp to educate the participants in proper methods of weight loss and general overall nutrition. At this time we have not advanced that far in our decision making process.

Officials Certification Clinic

The Manitoba Amateur Wrestling Association will be holding an Officials Certification clinic in conjunction with our camp to certify our provincial officials. This clinic is mandatory for anyone looking to officiate at any MAWA sanctioned tournaments this year. Anyone interested in participating in this clinic, please contact MAWA at mawawrestling@mts.net for more information.

NCCP Coaches Training

MAWA will also be offering a "Part A" NCCP clinic on the Friday evening and Saturday during the camp for any coaches that may require this to be in compliance with the 2009 MAWA coaches certification time-line. For more information, or to register please contact MAWA at mawawrestling@mts.net.
