Memo

FROM: ANNA-BETH ZULKOSKEY, EXECUTIVE DIRECTOR
DATE: 5/4/2007
RE: APPLICATION FOR COACHING AND MANAGER POSITIONS FOR 2009 CANADA GAMES

SAWA along with the 2009 Canada Games High Performance Committee is creating a pool of coaches who have an interest in the 2009 Canada Games Program. In order to be part of this pool and to have the potential to coach or be manager at the Games, all interested must apply to SAWA by September 1, 2007.

All coaches, male or female who are fully certified NCCP Level 3, or who have the potential to be fully certified 90 days in advance of the Games are eligible to apply. Coaching opportunities for those selected to the pool may include the 2008 Cadet & Juvenile Nationals, Christmas and Summer camps and trips, and technical or theory courses as necessary.

Please submit your name, contact information (address, phone number, fax number, email address), NCCP number and coaching resume to the SAWA office by noon on September 1, 2007. Contact Anna-beth at the SAWA office for your NCCP number if you are unsure of your number.

All members of the pool must be members in good standing of SAWA. Membership forms are available on the website.

Feel free to contact the SAWA office if you have any questions.
