The above individuals have been trained by the Canadian Amateur Wrestling Association as Competition-Introduction Master Evaluators for the sport of wrestling.

These individuals, in conjunction with their provincial wrestling associations, are accredited to train selected regional Competition-Introduction Evaluators in their province as needed. The above individuals are also accredited to carry out coach evaluations for the Competition-Introduction wrestling context.

Coaches who require certification in the Competition-Introduction wrestling context are directed to contact the closest Master Evaluator listed above or their provincial wrestling association in order to initiate the evaluation process for the Competition-Introduction wrestling context.
