- The rule applies to the Freshie, Novice, Pee Wee and Bantam age groups.
- A standing "hip-toss" (head & arm throw) may be executed a maximum of 2 times in a match by each wrestler.
- Upon using the hip-toss,
 - The match is stopped, with no possibility of a pin,
 - Points (3) are awarded for the throw.
- The match is restarted in the standing position.
- Should a wrestler use the hip toss a third time in a match, the official should warn the offending athlete. If the wrestler continues to use the hip toss after a warning, a caution may be given and points awarded to the other wrestler at the discretion of the official.
